WHEAT SCATTERED AND SOWN EVENTS

Mother's Day is a time to celebrate the joy of being a mother, of having a mother and knowing the warmth of a mother's love. It may also be a day to quietly remember a Mom who is no longer with you. It is a day to think of Grandmothers and extended families and the link that mothers are in keeping a family and family traditions together.

Mother's Day has many meanings. It can be a time when joy and sorrow come hand in hand. Let us pray for all women on this Mother's Day; women who have made a difference in so many lives.
~Father Jerry

Dear God, we praise You and thank You for the gift of our mothers, through whom You give us life and through whom we experience love.

We thank You for our Blessed Mother, the mother of Jesus, and a true example of motherhood for all of us.

Bless all mothers who have made so many sacrifices for us during our lifetime. We are grateful for the love You have taught us through the mothers in our lives.

We pray for our own mothers who brought us into this world. We remember the mothers of our friends who welcomed us into their homes.

We remember fondly our beloved grandmothers who patiently made time for us and our Godmothers who were models of our Catholic faith. We remember, in gratitude, the women who helped us even though we were not their children.

We ask Your blessing upon single mothers and working mothers who struggle to fulfill all of their responsibilities; mothers with children who are especially challenging, mothers who are struggling in poverty or oppression.

We pray for those who may find today especially difficult: for children who have lost their mothers, for mothers who have lost children, for mothers and children who are estranged from each other, for those who would like to be mothers but are not, and for those whose memories of their mothers are painful.

Bless all mothers of this world today and every day. Wrap them in Your arms of love. May they know the fullness of the love they have shared and be blessed every day of their lives. *Amen.*
